City of Yuma Event Application Narrative

Event Location and Map

A prior map approved by the City of Yuma for the AWC LETA graduation ceremonies has been obtained and included. The NAU-Yuma nursing program has between 16-22 graduates who can RSVP to attend the event. Graduates will be seated with their invited guests and a total of six people will be seated in the graduate's space/box. Dignitaries will all be faculty for the students and will sit separately.

Mitigation Measures

1. The event is outdoors; therefore, ventilation is not an issue.
2. Given the time of year and likely outdoor temperature, a single bottle of water will be placed on each attendee seat prior to the start of the event. Gloves will be worn by the single individual who will place water bottles on each seat. No food will be provided/allowed.
3. All attendees will be required to wear a facial covering/mask throughout the duration of the event.
4. The CDC "Stop the Spread" and NAU mitigation signage will be present at the venue welcome station and at other event locations to ensure all attendees are aware that active mitigation measures are in use.
5. Each graduate will have their own space for 6 individuals to occupy. These spaces and chairs will provide for adequate social distancing. This is an outdoor venue and there are no specific entrances or exits to be used by attendees. There is a large amount of space available for attendees to exit and enter the venue with sufficient physical distancing.
6. Hand sanitizer will be available at the event welcome station and within each space dedicated for attendees to physically distance.
7. Volunteers from the NAU-Yuma Student Nurses Association will be used as dedicated persons to monitor and enforce mitigation measures throughout the event.
8. All NAU students, staff and faculty screen themselves daily with the NAU Healthcheck application. This will be completed for those attendees on the day of the event. Additionally, upon arrival, all attendees will have their temperature taken and screening questions about symptoms of COVID and COVID exposure will be asked.
9. Chairs, tables and podium will be cleaned with disinfectant wipes prior to being used the first time.
10. Many of the attendees are Phase 1A people on the Arizona vaccination prioritization list. Many of these people are or will be fully vaccinated by the date of this ceremony.
